Jordan Airports Company
شركة المطارات الأردنية

Ref: 1/14/ 182

Date: 13/2/2011

To whom it may concern

This is to confirm that Jordan Airports Company, the entity responsible to manage and operate Amman Civil Airport (OJAM; ADJ), has signed a ground handling agreement with Messrs. Royal Wings Company, by which Royal Wings is granted the exclusive right to provide third party ground handling services for all general aviation movements at the airport - excluding self handling operators. This contract is valid for 7 years and ends on July 4th, 2017.

This letter was issued upon Royal Wings request.

Ramzi T. Batarseh

General Manager
